

ALMARA CABINETS

TIMELESS AND ELEGANT CABINETRY

LUXURIOUS CUSTOM-DESIGNED DETAILS

Founded by owner Richard Satora in 1995, Almara Cabinets has been highly regarded throughout the industry for more than 20 years, and has even won an Australian Achiever Award for its consistently outstanding customer service.

For this project, Almara Cabinets achieved a timeless aesthetic that complements the interior design of the house. The beautiful cabinetry was designed by the company's own Matt Lothian, who worked closely with the client to create the perfect outcome.

The doors and mirrors were all custom-made by Almara Cabinets, and have a cohesive appearance, while matching the period of the house. With two-pack satin-finish painted cabinetry, the bathrooms take on a unique and warming appearance. The large vanities feature functional storage space, while adding a touch of sophistication.
