

ALMARA CABINETS

THE CITY MEETS THE COUNTRY

CUSTOMISED STORAGE SOLUTIONS

To add the finishing touches to this beautiful property, Janine Satora from Almara Cabinets designed the home's kitchen cabinetry. Perfectly capturing the home's country style, the cabinetry also utilises high-quality modern hardware and materials.

Whether your home is cluttered or organised, and your lifestyle is laid-back or fast-paced, the featured cabinetry can be altered to accommodate your needs without sacrificing on style.

The cabinetry is functional, durable and aesthetically pleasing, and can maximise the storage capacity of any space – big or small.

Almara Cabinets was established in 1995 by Richard Satora. The company is proudly Australian-owned and -operated and specialises in custom-designed period and contemporary built-in and freestanding wardrobes, walk-in wardrobes, bookshelves and wall units, as well as entertainment units and home office and home theatre fit-outs.

The company also offers storage solutions for garages, laundries and walk-in pantries. Almara Cabinets' cabinetry can be custom-designed to suit your needs. It's easy to use, and makes a stylish addition to any area of the home. Almara Cabinets has also opened a new showroom, located in Dandenong South.

Working across Melbourne's inner and outer suburbs, Almara Cabinets serves approximately 2500 customers per year. 2015 marked Almara Cabinets' 20th year in business, and the company is on target to serve 35,000 customers since its establishment.
