

ALMARA CABINETS

EUROPEAN DESIGN

SLEEK AND STYLISH CABINETS

This innovative cabinetry project was designed by Matt Lothian of award-winning cabinetry supplier, Almara Cabinets.

The functional and contemporary design of this project makes it stand out from the crowd. The handle-less finish and clean lines used across each of the pieces give the project an elegant and sophisticated appearance.

Adding to its sleek look, the project also features ebony wood laminate and Colorboard, as well as Hettich push-to-open draw runners.

With cabinetry that is built to last, this project epitomises Almara Cabinets' attention to detail and high-quality finishes.

Specialising in wardrobes, wall and entertainment units, bookshelves, laundry cabinets and garage storage solutions, Almara Cabinets is the perfect choice for all your storage needs.

Providing functional and aesthetically-pleasing cabinetry, the company also oversees office and home study fit-outs. Taking inspiration from European design, Almara Cabinets' storage solutions are a stylish addition to any home, and the company offers clients a lifetime warranty on each product it supplies.

Founded by owner Richard Satora in 1995, Almara Cabinets has been highly-regarded throughout the industry for more than 20 years, and has even taken out an Australian Achievers Award for its consistently outstanding customer service.

A family-owned company, it builds in the Melbourne metropolitan area and completes around 2500 projects annually.
