STYLISH STORAGE

ELEGANT AND FUNCTIONAL WARDROBES

The simple design of this walk-in wardrobe houses a highly functional space and features a beautiful, timeless finish. Designed by Matthew Lothian of Almara Cabinets, the wardrobe's style specifically caters to the client's requirements.

The elegant style of the wardrobe suits the French provincial theme of the home, while the design accommodates all of the client's needs and is easy to use. An abundance of cupboards and drawers means the clients will never run out of storage space.

The wardrobe features a combination of satin two-pack paint finish and bevelled glass with Hettich accessories and soft-close doors and drawers. Almara Cabinets has also incorporated a mirrored dressing table with a marble benchtop into the wardrobe design.
